

If the Covid-19 lockdown has you thinking about real and authentic ways to 'build back better', or you are interested in promoting social change, community development, co-operation strategies and personal growth, consider attending

The Social Developers' Network **WORKSHOP**

Bring your story of anything from the personal to the political, the local to the global, and become part of this workshop's dynamic agenda. Sharpen your skills for being an effective catalyst for social change during this long week-end of conviviality, conversation and ideas.
